What I wrote means: Today I am also here.

What you wrote means: _____

Did you mean to say: Ess iz kalt inderoisen.... ich hub ah groiseh _____ tzu trugen = It is cold outside... i have a big _____ to carry/wear

I would say 'Mantel' .

Now I would adapt your sentence as follows: *Es iz kalt inderoisen, ich trug a groiseh mantel.*

Why is this thread in "Break Free" & not in "Just Having Fun"?

Answer #1 It's in break free because that's where all the attention is.

Answer #2 The purpose is to break free. Having fun is a side benefit and also a means of breaking free.

Answer #3 maybe your question should be why is the break free board so much fun?

Answer #4 This thread was started as a response to the thread titled "IS THE FORUM DYING? / ARE WE AWAKE?" which is located here in break free.

Answer #5 You have permission to start a "just wanted to shmuz over a bowl of cholent" thread in the just having fun board.

Answer #6 The one who started this thread is not a perfectionist.

answer 1.....someone loves attension t/4 in order to stick out and create attension it was put in the wrong place.

answer 2....yes, i do seem to have broken free a little bit and got pulled into the GYE addiction

answer 3. ...i never knew that breaking free could be so fun!

.....etc

.....etc

.....etc

well did anyone ever think that it makes perfect sence that its here and that the question that was asked is the same thing as asking why is the 90 day thread in the wall of honor section???

;D ;D ;D
