I never mean to offend anyone especially a great trucker

Last week when Tehillimzugger bounced on this thread I tried to get him to stay, he didn't

I have brought zemmy from the dead to post on the forum with reverse psychology (this is fact), and I thought Liz may have appreciated it.

I would have done the same to

the.guard if he said hi here

Did I make out as though Lizensk is a loser or a great Rebbe came to town?

Please read it again!

I was only hoping to get him to stay

LIZHENSK

If I upset you, I'm truly upset, and I apologize, and...

now

will you please stay with us!

Appology accepted??

I think you misunderstood Cords. "Someone texted me that HE took offense that you called Liz a newcomer"... The texter took offense, not me.

All is clear here.

But dont count on me staying for too long either

Lizhensk

That's cool - I got you back

just kidding

I understand that many great truckers like yourself don't need the forum for sobriety

Thanks for saying hi

Bye and a sober Pesach and beyond!!!

Hi [Yesodos](#)

youre one of the 13 guys online now

and one of the founding members

Have you found it within you to post on the forum?

Sure, there's no obligation to do that, just to get sober cos that's the Yesod way. P'haps you have some advice and inspiration for someone like me - I hope

**KOWH FYT**

Keep on waving HI from your Truck
