Hey guys

Ive been busy. But I really miss being on the forum.

I have to find a way to get on without getting sucked in.

also i dont feel the same benefit that i used to get from it.

its definitely good for the comaraderie (spell check please)

but Im not sure it justifies my getting sucked in.

anyhow, just wanted to let you know, world, that I finally accomplished something that has been a major procrastinating issue.

Also I had a bunch of doctors appointments and tests to take care of

and i actually did it!

I still cant figure out why I procrstinate these things tht are for my benefit

but i overcame it after a very long time, basically from when we PMed the lists

I also took on daf yomi, my own cycle

feeling very good about it being the best tool to fight the yh

shhhh! ?? ????? ?? ?????

Ive been laying low, hoping that he wont notice that Im over 130 days clean

Im going back into hiding

I'll pop back in and out here and there

hey with world constantly opening new threads

it gives me lots of options

Oy vey! I went over the word limit on this thread!

sorry world.

Bye!

Night Seder!!!

BEST post of the day!

It shows MAJOR gevurah for someone to break away from GYE!!

To be able to say "Bye" to GYE is soooooo uncommon, there is no need for a *Just Saying Bye* Thread
