After seeing this:[world wrote on 31 Oct 2010 08:44:](#)

Yeder einer is invited tzu postin in dehr just wanted to say hi thread.

no vip pass required for posting.

It's a thread where you can say a quick hello to all your friends at gye, without having to come up with groiseh chochmas to put in print.  
After being alone in this room for five hours I think it is time to check out.

It helps you keep more in touch and less shluffehdikk.

I thought that I am also welcome over here, but it seems like the oilam is ignoring me. :(

Reb JIP,

Thank for responding but you have no need to worry. After being around here for over 9 months (WOW, it is THAT long already!) I know the style and I didn't think that I was being deliberately sidelined, chas v'sholom.

My post was meant as tongue-in-cheek. ;D

But, hey, it did elicit some response at least! :D
