No, that's not up to date. The most recent cycle is finishing up and a new cycle will begin in December. You can still call in during the remaining sessions of this cycle.

Go to [www.guardyoureyes.org](http://www.guardyoureyes.org), click Tools > Phone Conferences. Duvid Chaim's group is morning and noon, each day. Elya's group is great, and Zeva is starting a new cycle soon... (as is Duvid Chaim).

To download the bigbook, scroll down to the second half of this page:
