

SA in Jerusalem

Posted by Yosef - 11 Nov 2010 19:55

Hi Everybody,

I'm proud to say that I'll be celebrating a year of sobriety a week from tomorrow. I know that I couldn't have done it without the personal support I found at SA . Some guys don't seem to need SA, but I had to admit that I did. I have been learning from the "pros" how to beat lust and live a better life. If you are interested in coming to our group, just shoot me a message. I just got messages from three guys that are ready to join me. Maybe we'll meet in time for you to hear my anniversary speech.

Lots of Blessings,

Yosef
