hello buddies, here i am back, it's been a few months since i last posted here on my thread, where should i start & what should i say , i am emotionally too weak to say anything when it comes to talking about myself, got b'h 298 days clean, some days are cleaner than other but according the terms here on GYE I am clean, of course we always gotta strive for the better but we gotta go baby steps, almost had a flat this week, but I was saved , hashem had mercy on me & made me reach out to our 2 holy brothers Reb Yechida & Der hieliger bardciiver who gave me some good chizak, so I came to realize that the road is very bumpy & we gotta learn how to jump up when there is a bomb on the ground or bend down when there is bullet fired above you, constant fighting & of course lots of prayers to hashem cuz after all he is the 1 & ONLY who can help us get cured from this terrible daisies, all of you guys here on GYE have been awesome to me , I got lot of chizak here from ur stories & u are just keeping me afloat , when I feel stronger I will iy'h write a longer post with more specific details as to what happened & what we can do to KOT, & if it helps even 1 yid it's all worth my time, I may not be very active on the public forum over the next few weeks, but my inbox & email and Google talk are always open for anyone who needs an ear, ( I am sure it won't last long I will not be able to refrain from peeking in here

Be safe guys & have me in mind pray for me & I will for you
