

JIP'S Trucking Progress

Posted by jewinpain - 19 Nov 2010 19:43

hello buddies, here i am back, it's been a few months since i last posted here on my thread, where should i start & what should i say , i am emotionally too weak to say anything when it comes to talking about myself, got b?h 298 days clean, some days are cleaner than other but according the terms here on GYE I am clean, of course we always gota strive for the better but we gotta go baby steps, almost had a flat this week, but I was saved , hashem had mercy on me & made me reach out to our 2 holy brothers Reb Yechida & Der hieliger bardciiver who gave me some good chizak, so I came to realize that the road is very bumpy & we gota learn how to jump up when there is a bomb on the ground or bend down when there is bullet fired above you, constant fighting & of course lots of prayers to hashem cuz after all he is the 1 & ONLY who can help us get cured from this terrible daisies, all of you guys here on GYE have been awesome to me , I got lot of chizak here from ur stories & u are just keeping me afloat , when I feel stronger I will iy?h write a longer post with more specific details as to what happened & what we can do to KOT, & if it helps even 1 yid it's all worth my time, I may not be very active on the public forum over the next few weeks, but my inbox & email and Google talk are always open for anyone who needs an ear, (I am sure it won't last long I will not be able to refrain from peeking in here

Be safe guys & have me in mind pray for me & I will for you

maybe we just didn't drink enough...

Ya, after I submitted my last message, I thought to myself, what did I just write, "HOPE" I keep on saying I gave up my hope but I guess subconsciously I do still have hope, ya talking to the boss about a raise, who speaks about a raise we talk here about initial pay, and thanks for wanting to help, but none of u can help, the 1 & only who I know can, is hashem but so far he's not wiling to do so, so I got nothing to do, I can't force him to help me, he's boss , I can only ask for help, & that's what I keep on doing, but I guess he has some other plans & I am sure he knows what he does, but it does not seem fair to me, so I'll see if I will be able to survive the pain

Hey guys, being in not such a good state I can say that shabbos was decent, tried to stay calm & happy, was a struggle but had to keep up the face for wife, as soon as shabbos was over things started kicking back out of shape, so right now I'm 1 minute up than 2 minutes down

Will see if hashem is finally ready to help me or he wants me to hit rock bottom again b4 I'm worth his help

Hi zemmy, reading this book is causing me some pain and I'm very close to get into even a deeper depression, cuz I do identify with everything he says in the book so far and I see I'm not just a sex addict, I have too many things to work on and its just much easier to give up on life and let some1 else struggle
