wow!

what a great giant step in the right direction!

more power to you

one of the things you will learn through SA is to go a little easier on yourself. Hashem loves you for what you are, right now, and He wants you to succeed and be happy.

Yo

You'd better watch the way you talk about that Rage guy or I'll rip you to pieces! He's a friend of mine and he is a really special person who would do (and has done) anything for anybody. He'd give his right roller blade to help a friend (I think somebody by the name of Habib would second that).

Now he may be going through a rough time at the moment, but he'll pull through and bounce back. I have complete confidence in him. So cut him a little slack or I'll hang you by your pony tail!

Watch it there! Putting ourselves down is yet another way we feed our addictions.

Did you ever go on a mass-murdering spree? Okay, so you can't be that bad.

Let's keep things in perspective.

BTW, are you the RAGE reincarnate, or a new one? These things are confusing sometimes.

That you have nothing to offer

No guarantees

No promises that you have not previously broken

That you don't deserve Hashem's Help?

No reason to think that you will be any more successful today then you were yesterday (or 2 hours ago)

Yeah. I know all about it.

But you know what?

I ain't giving up. I'm too da*n stubborn. I'll fight again. Even if I can only show an hour clean or 3 hours for my efforts that's something.

And will He give you (me) another chance?

Well you're still here aren't you?

What would you call that?

Just SHUT UP!

Stay clean the rest of the day.

Light your Menorah tonight

And I promise you tomorrow will be a brighter day.

Hey Ragey,

You brought a smile to my face when I read that you are taking action. No joke.

That's the Middah of Yehudah in next week's Parsha: "Vayigash Eilav Yehudah".

It's also a Middah of Nachshon who was the first to go into the Yam Suf.

Keep using the Middos of our forefathers!

PM me if you want to talk or anything.
