See Rage? There are people stalking you on GYE, too!

Since I assumed the title Tzadik I began stalking the REAL tzadikim. (Among the reason why ppl stalk celebrities is because they want to 'connect' with them. Also because they hope some of the fame will rub off!)

Actually in last week's parsha we also find celebrity stalkers! *V'habitu acharei Moshe ad bo ohelo* - Their gaze followed Moshe until he went inside his tent.
