

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri.I live in the jerusalem area and i am a sex and love addict.This took me a long time to come to terms with,to say the least.But that we'll get to in a second.

I am finishing now my third year in beis medrash.While i have had success in my learning b'h,i have a source of shame and anguish that has caused me great depression on a constant basis.I lived (live really) two lives;my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim.And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts.I feel like the worlds biggest hypocrite.It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits.After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place.I have major issues in getting close to people and keeping friends once i feel that they know me too well.i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict(however ironic that might sound).The need creeps up all too often,followed by a crazy need to satisfy it.There are several paths to this:porn,masturbation,contact with a sexual girl,and, strangely enough,eating out at restaurants,but that well get to a diff time.Anyway,there is one main girl,as there always is.we have had the weirdest on and off relationship,to say the least.the jealousy and overprotection i had with her is still a shock to me even.anyway im tired so i shall continue this

No offense Me3, but you just don't understand Uri's nisayon.

Uri, I think you're a tzaddik. You did real good. I'm sure 99% of us think this way.

Now, please throw out all of those phone numbers so they don't tempt you again.

No offense,Rage,but I would hate to be one of your kids...

Little Rage (geek with huge glasses and pants pulled up to his chest):Daddy!Those bullies at the park we're making fun of me again about my glasses!(Breaks into tears).

Rage:Really?Show me where they are!

Arriving at the park.....

Rage:Are you the punks that were making fun of my son?

Bully:Yea.What u gonna do about it?

Rage:Here.I'll hold his hands behind his back, and you guys take turns punching him...

Afterwards....

Rage:Son,I want you to know that I am embarassed to have made you. Did you steal those glasses from Harry Potter? And go call your brother, that fat***.I wanna have a talk with him about all those missing cupcakes...

Uri-

Anyway, you stood her up, so hopefully you got rid of her. Text her that's she's fat, and you're home free...

i did not get rid of her,unfortunatelly.

i told her that i couldnt make it,and she said okay.

this is the second time already that it happened.

and she called me last night,to talk i think.

but i didnt pick up.

sheverer matzav.

And re the texting:i have a kosher phone,which doesn't allow texting.

Ah,the irony...
