

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h, i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the worlds biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well. i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that well get to a diff time. Anyway, there is one main girl, as there always is. we have had the weirdest on and off relationship, to say the least. the jealousy and overprotection i had with her is still a shock to me even. anyway im tired so i shall continue this

in the tradition of urios, here is a ratm poem about the lust assault we face in the u.s.:

The main attraction: Distraction

got ya number than number than numb

Empty ya pockets son; they got you thinkin that

What ya need is what they sellin

Make you think that buyin is rebellin

From the theaters to malls on every shore

Tha thin line between entertainment and war

The frontline is everywhere, there be no shelter here

Larry Flynt, your plan works so push it far

Moses was a whip, the truth was feathered and tarred

Memory erased, burned and scarred

Trade in ya history for a VCR

Cinema-simulated life, ill drama

Fourth Reich culture - Americana

Chained to the dream they got ya searchin for

Tha thin line between entertainment and war

There be no shelter here

Tha frontline is everywhere

letakain, venting aint bad...in fact, according to dov, we need a place to dump our garbage...im sure your vent was justified (i try to stay away from womens section on bad days ...not that youre doing anything wrong...just not good for me on bad days, and todays a bad day)....anyway, its good to sometimes just RRRAAAAAGGGGGEEEEEE!!!! isnt it?
