

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the Jerusalem area and I am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in Beis Medrash. While I have had success in my learning b'h, I have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the world's biggest hypocrite. It bothers me even more because I find sincerity and honesty of the utmost importance, and I have to stand and watch myself trample all over these traits. After several years of therapy I have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once I feel that they know me too well. I have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a different time. Anyway, there is one main girl, as there always is. We have had the weirdest on and off relationship, to say the least. The jealousy and overprotection I had with her is still a shock to me even. Anyway I'm tired so I shall continue this

Rage-as long as your name is not Norman Bates-I'm chilled

I'm not female nor blond but you could still get nervous

Uri,come back fast

I'm losing it

yechida, youre on a roll...

ya know when i first came on here i saw this "yechida" posting long poems and very touchy feely (flakey) posts i was pretty convinced that you were a female...then i learned you werent...but seriously, you should probably switch to yachid..unless yechida refers to your neshama....which is feminine...

letakain, venting aint bad...in fact, according to dov, we need a place to dump our garbage...im sure your vent was justified (i try to stay away from womens section on bad days ...not that youre doing anything wrong...just not good for me on bad days, and todays a bad day)....anyway, its good to sometimes just RRRAAAAAGGGGGEEEEEE!!!! isnt it?

well if it's raging at the machine, fine. but not going ballistic cuz you're scared or sad and controlling. needed to let go a bit.

wanna hear something fiunny? hada watch "christian the lion" for school- i thought of our circle and your dream. that lion wasn't so bad! thawed me out and got me bawling which was really

good for me.

Yechida, Rage is not the first person to think you're female... Someone else once contacted me about that too... Maybe you should change your name (seriously).

keep the name for now

this refers to the 5th level of the soul-yechida-that's what it is called

Guard,when I have time I will PM you on this because there is alot of Hashgacha Pratis that took place directly related to the name yechida that is very unusual.and uncanny.

I have some level headed cynics as friends, but when I told them about it they said they have to admit there is something there.

in the MBTI system I am an INFJ-if you read up on it,it would explain alot about the nature of what I write and how it is written.It is not a male-female thing.it's a personality type thing,though many would say that most men are T's while most females are F's

Tomim - Thanks, touche'! Though I can think of much worse things to be accused of! ;D

Yechida - How about Neshama...or Chaya?? Oops! Both taken - and by girls, yet. Oy vei.....Nefesh isn't bad, you know...though Ru'ach sounds like hot air....I go with Nefesh, personally. But hey, it *is your* name...

Guard and RATM (shlit"a's) - Hi there. 8)

It is said in the name of the Malbim saw this somewhere in the Beer Moshe chelek 7 where the Debretziner quoted his father saying this)

A perfect shidduch

Sheker (falsehood) and Chanufa (flattery) fell in love and got married

They had a defective child-a perfect one in the eyes of the parents

The child was named "Politics"

Yidin love all children

But not this one.

Flee !!Flee!! when you see this one coming ,in Tolkien language, this is one of the Black Rider's, Sauron's servant, brother of Shelob, accomplice to Gollum, the Nazgul, the Ringraiths,

Flee!!Flee!!

No Gandalf or Elrond or Galadriel or Aragorn can save you if caught in this darkness.

Flee!!Flee!!

(I'm afraid that mr yechida needs a psychiatrist or atleast needs some serious rest this Shabbos-he starts out with the Beer Moshe and ends up with Lord of the Rings)

URI COME BACK!!

Once heard from Berel Wein, that someone made a cheshbon, and it is physically impossible for Rashi to have written all that he did, in his lifetime.

Where MR. Yechida do you find the time to read all this stuff?

Either that, or you have a GREAT memory.

Good Books

Edgar Guest

Good books are friendly things to own.

If you are busy they will wait.

They will not call you on the phone

Or wake you if the hour is late.

They stand together row by row,

Upon the low shelf or the high.

But if you're lonesome this you know:

You have a friend or two nearby.

The fellowship of books is real.

They're never noisy when you're still.

They won't disturb you at your meal.

They'll comfort you when you are ill.

The lonesome hours they'll always share.

When slighted they will not complain.

And though for them you've ceased to care

Your constant friends they'll still remain.

Good books your faults will never see

Or tell about them round the town.

If you would have their company

You merely have to take them down.

They'll help you pass the time away,

They'll counsel give if that you need.

He has true friends for night and day

Who has a few good books to read.
