

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the Jerusalem area and I am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in Beis Medrash. While I have had success in my learning b'h, I have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the world's biggest hypocrite. It bothers me even more because I find sincerity and honesty of the utmost importance, and I have to stand and watch myself trample all over these traits. After several years of therapy I have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once I feel that they know me too well. I have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a different time. Anyway, there is one main girl, as there always is. We have had the weirdest on and off relationship, to say the least. The jealousy and overprotection I had with her is still a shock to me even. Anyway I'm tired so I shall continue this

THanks....

Its just that I'm a little sensitive to praise. Feel more comfortable being kutan.

I know. I need to work on it.

Just not today.

Uri, Kedusha is trying hard, but cut him a little slack if he falls. It takes time to change something deeply ingrained in our subconscious. Show understanding and tolerance to edits. This is GYE, after all. We love every Jew. We aren't **defined** by our edits.

I think we all need to show some Hakaras Hatov to our dear Uri. I'm serious. In the short time he's been with us, he's transforming the face of this forum. Not only does he bring lots of life and fun to it, but here's just some of the things Uri is responsible for:

- The "Where I'm at" thread (the longest - and *funnest* - on GYE!)
- The "Tehillim/Daven for me" thread
- The "I'm about to fall" thread
- The "Uri's Songs" thread
- The "My meetings with the sex addiction therapist" thread
- "The Depressed Person's Chill Spot" Thread

These are all GOLD!

Not only that, but Uri's in charge of helping people find partners and sponsors.

And we've quoted many of his beautiful posts in countless Chizuk e-mails over the past months.

And all this, from a young smart allecky whipper-snapping louse! Who would have thunk it?

Well, well, well,

The naughty boy has returned.

It's been so quiet with him and Rage tearing each others heads off.

Welcome back son.....

....and yes, you still need to take out the garbage!

welcome back Uri.

I don't mean to minimize you're return,

but I don't feel you are being fair to Kedusha.

Posting with all those typos is like jumping in
front of a car and asking Kedusha not to
jump away.

What is the guy supposed to do?

Where is your bain adam l'chaveiro?

I would be much more impressed if you said

Kedsha from now on I agree to spell check

my remarks before posting.

That is a solution that helps everyone

instead of threats.

Or evere fu posts you cud put in a hole buntch of tiepos and giv keshuda pirmishon to edit
those. Thads a nother way ov finding solushun that wurks 4 everebodee.

all the best

It happens to be that I love Kedusha and i really admire that he stepped forth and admitted he
has an issue and is working on it. There is no braver thing one can do in this world.

This is my own issue. I am a shtickle sensitive and i need the sense of freedom (within

moderation obviously)and i bug out when people correct me too much.

So yea

Kedusha i love you man

(breaking out in tears)

Hey, watch it, whippersnapper, or I'll start posting about gerunds (see BWayne's thread) here..whatever they are... ;D

Besides, the translator is on loan to Guard, who is trying to use it to rose-cut some radishes for a simcha.

Oy vei, Have I been reading too much of RATM's stuff, maybe?
