

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri.I live in the jerusalem area and i am a sex and love addict.This took me a long time to come to terms with,to say the least.But that we'll get to in a second.

I am finishing now my third year in beis medrash.While i have had success in my learning b'h,i have a source of shame and anguish that has caused me great depression on a constant basis.I lived (live really) two lives;my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim.And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts.I feel like the worlds biggest hypocrite.It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits.After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place.I have major issues in getting close to people and keeping friends once i feel that they know me too well.i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict(however ironic that might sound).The need creeps up all too often,followed by a crazy need to satisfy it.There are several paths to this:porn,masturbation,contact with a sexual girl,and, strangely enough,eating out at restaurants,but that well get to a diff time.Anyway,there is one main girl,as there always is.we have had the weirdest on and off relationship,to say the least.the jealousy and overprotection i had with her is still a shock to me even.anyway im tired so i shall continue this

I can lend you a stuffed monkey, a pet turtle, a frog, or male stray cat named Mitsy (dont ask)

Hmmmm, not sure the fish would make it till morning. Sorry.

Anyway, Guards right. Go to sleep. You have a busy day tomorrow, remember??!!

There a world to conquer, places to see, and friends to be made.

Get going dude! 8)

And then wake me up at the end so I can hear how it all went!

I'm sorry that was uncalled for.

much as i would love not to always be alone, i am soooo not ready for marriage.

and i'm really happy i'm not married or else i'd feel really bad for my husband.

he'd be living hell with me around.

dunno what to tell you.

and you want something to do with your life?

decide if you want to learn or go to college, or both, and do that?

and look for another job. one that's more suited to your lack of cucumber cutting skills.

Perhaps Hashem removed the possibilities that **YOU** thought would help you live, in order that you should find what **HASHEM'S** plans for your life should be.

Uncover the hidden talents inside you... Read the story of Hendel in Yechidah's post [over here](#).

And as far as being alone. Yeh, that sucks. I really sympathize with you on that one.

But do you have to **sleep** with someone not to be alone? You can *post* to them too, no?

I'm here. And I'm not going to sleep till you do.

(Hurry, my wife wants me to close up already!! She's getting mad)
