

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h, i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the world's biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well. i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a diff time. Anyway, there is one main girl, as there always is. we have had the weirdest on and off relationship, to say the least. the jealousy and overprotection i had with her is still a shock to me even. anyway im tired so i shall continue this

hey, people, we have to keep this thread alive... Reb Shraga forbid the computer for Uri for a week... but that doesn't mean we can't sit around and tell jokes on Uri's thread till he gets back!

happy B-day!

i couldn't tell which parents you were talking about (physical/spiritual) until the 4th stanza.

but it's such a beautiful heartfelt poem that i have no doubt that all your moms are crying for you.

oh, a JOKE! here you go.

a jacket potato goes to the dentist.

The dentist returns with the potatoes results and says:

"sorry but you're gonna need three fillings"

AND one of my favorite old ones:

Two cannibals were eating a clown

One cannibal says to the other one: "Does this taste funny to you?"

Just for the record, I'm the one who posted THE DREAM

So if Uri hates it he knows who to blame :D

Good news, Uri's fine

Bad news, Reb Schlachter now told him no computer *for a full month!!!*

He has to leave his virtual world and learn to smell the pine trees.

He really wants to remain in touch with people though, so if anyone wishes to call him by phone,
PM me for his number.
