

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h, i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the world's biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well. i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a diff time. Anyway, there is one main girl, as there always is. we have had the weirdest on and off relationship, to say the least. the jealousy and overprotection i had with her is still a shock to me even. anyway im tired so i shall continue this

URI,

NOW EVERYONE THINKS YOU'RE TALKING ABOUT THIS MOM :-\

Can you just answer the phone already?

It's that little black box with the strange ring tone.

Press the little green button and say "hello mom 7up"...

Guys, take it easy... Can't you tell that Uri is reliving his painful past? He is not talking about

now... He is getting out the pain that has been building up for years inside him and is finally coming into the open as he learns to let go of control and tries to trust a **dark and cruel world**.

To see that I'm right, see [this thread](#) (don't post on that thread, uri wants it locked - it serves the same purpose of what he's doing now... He's throwing up all the pain, and hopefully when he's
)

Uri, no matter what, we love you (I *think*).

done, his stomach ache will feel better

Fix you

by colplay

(warning:dont read these lyrics really depressing)

When you try your best, but you don't succeed

When you get what you want, but not what you need

When you feel so tired, but you can't sleep

Stuck in reverse

And the tears come streaming down your face

When you lose something you can't replace

When you love someone, but it goes to waste

Could it be worse?

Lights will guide you home

And ignite your bones

And I will try to fix you

And high up above or down below

When you're too in love to let it go

But if you never try you'll never know

Just what you're worth

Lights will guide you home

And ignite your bones

And I will try to fix you

Tears stream down your face

When you lose something you cannot replace

Tears stream down your face

And I...

Tears stream down on your face

I promise you I will learn from my mistakes

Tears stream down your face

And I...

Lights will guide you home

And ignite your bones

And I will try to fix you
