Where I'm at Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri.I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h,i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the worlds biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well.i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict(however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this:porn,masturbation,contact with a sexual girl,and, strangely enough,eating out at restaurants, but that well get to a diff time. Anyway, there is one main girl, as there always is.we have had the weirdest on and off relationship, to say the least.the jealousy and overprotection i had with her is still a shock to me even.anyway im tired so i shall continue this
