

Where I'm at

To whom it may concern,

My name is Uri.I live in the jerusalem area and i am a sex and love addict.This took me a long time to come to terms with,to say the least.But that we'll get to in a second.

I am finishing now my third year in beis medrash.While i have had success in my learning b'h,i have a source of shame and anguish that has caused me great depression on a constant basis.I lived (live really) two lives;my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim.And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts.I feel like the worlds biggest hypocrite.It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits.After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place.I have major issues in getting close to people and keeping friends once i feel that they know me too well.i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict(however ironic that might sound).The need creeps up all too often,followed by a crazy need to satisfy it.There are several paths to this:porn,masturbation,contact with a sexual girl,and, strangely enough,eating out at restaurants,but that well get to a diff time.Anyway,there is one main girl,as there always is.we have had the weirdest on and off relationship,to say the least.the jealousy and overprotection i had with her is still a shock to me even.anyway im tired so i shall continue this

why am i posting this?heaven knows.cause i dont.what kind of 20 year old boy hesitates on an oppurtunity like this?am i gay?

We know! Because you know in your mind that turning down the invitation was a monumental accomplishment that caused a **tremendous** commotion in shomaim.

But you're having trouble hearing the commotion and the y"ח is working over-time to convince you that this is something small. (And only when he manages to catch you at a weak moment and trick you in to sinning against your will, that's a big deal. What twisted logic!)

So Hashem in His Great Mercy gave you the seichel to tell us about it so that we can help you remember that YOU ARE SHAKING THE HEAVENS AND BRINGING THE GE'ULAH! HKB'H IS TELLING THE MALACHIM "CHAZU BNI CHAVIVI THAT IS GOING TOTALLY AGAINST THE DERECH HATEVA AND THE DERECH HA'OLAM, LOOK AT THE POWER OF A YIDDISHE NESHOMOH." THE KIDDUSH HASHEM THAT YOU ARE MAKING IS WITHOUT COMPARISON! THIS IS THE GREATEST FULFILLMENT OF TACHLIS HABRIAHH!

And by the way I can't imagine myself -when I was at your stage of the game, standing up to such a test; it would have been totally hopeless.

CHAZAK VE'EMATZ! And I have to say it again: Your songs are awesome beyond description!

I think you're being very pessimistic about marriage. would you still be the way you described after 90 days?

life is frustrating. that's what forces us to grow. We don't have to like it. in fact, i don't think anyone likes it when things don't go their way. but Hashem really does love us and wants what is best for us. in this case, Hashem wants you to gain ultimate control over yourself and so He gives you lots and lots of nisyonos so you can take them and pass. and you just did.

The Malochim are smiling down at you

and they told me to give you this
