

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the Jerusalem area and I am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in Beis Medrash. While I have had success in my learning b'h, I have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the world's biggest hypocrite. It bothers me even more because I find sincerity and honesty of the utmost importance, and I have to stand and watch myself trample all over these traits. After several years of therapy I have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once I feel that they know me too well. I have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a different time. Anyway, there is one main girl, as there always is. We have had the weirdest on and off relationship, to say the least. The jealousy and overprotection I had with her is still a shock to me even. Anyway I'm tired so I shall continue this

Uri, E.L.'s not kidding. He was so stressed out he sent me this e-mail:

Uri needs help if he's still around GYE. Please do something if you can!

I was having a good day, I feel so bothered that we weren't able to convince him.

I feel lost now.

Every time someone that was/is so helpful to GYE falls it makes me down.

Heich Noflu Giboirim?!

How can this Happen to people that are so into getting over it.

He has all the right words to help others, but a Doctor can't cure himself.

Oy Vey! It's sooooo Sad! Hashem Please give me some clarity!

Thanks for listening.

And you know what I answered him?

He might yet surprise us that he didn't fall... He did that once already before.

Hashem should give him strength.

Right, E.L? :D (no, it wasn't Ruach Hakodesh... but I just didn't underestimate our Uri! I know a great Neshama when I see one).

Well Mom had beach day yesterday even thou she needed to prepare for a lot of shabbos guest that her daughter was bringing over. (I wonder which daughter that is.)

So I'm assuming she's just busy preparing for shabbos & knew that if she went to GYE for just one second she would be stuck here till the Zmaan so she chose not to.

That's just my Logical Assumption.

Gut Shabbos

wow, sounds like Someone might be trying to give you a message, no? after all the work you've done, you've shown what you really want and it's not going to be easy to turn the other way...
