

New "Wall of Hashem's Honor" Feature Launched!

Posted by the.guard - 22 Nov 2008 23:16

To all the great warriors on this Forum!

We added a new feature to our website called "Wall of Honor". I think this was "Battleworn's" idea. I've been meaning to do it for a while but didn't get around to it. This Motzai Shabbos after reading the story of Ano Nymous and seeing the sincerity in his story, I decided it was time for action. See [here](#) for the rules. See [here](#) for the "90 Day" page, and see [here](#) for the "Wall of Honor" page.

Please everybody, send me your info so I can add you to the chart. All e-mails should be sent to wallofhonor@gmail.com. Please send your username, marriage status, longest recent clean streak, and your current starting date and how long you have been clean for. We will all cheer each other on and give each other group support, and we can check back to the chart often and see how each of us is doing and give each other support.

Please everybody, Me, MW, Chasdei Avos, Be'ilum Shem, eme, LevTahor, Niceguy, Postal Servico, UTS, Crakerjack, Niceguy, willnotbeforsaken, let's go everyone - send me your info and I'll put you up on the chart. Let's try and beat the old records and aim for 90 days, which will get you onto the **WALL OF HASHEM'S HONOR!**

It is absolutely beautiful, much more than I ever expected. I had just given up, I thought you must of decided not to do it.

It was Mevakesh's idea, not mine, but I love it.
