

chat room accountability thread

Posted by chazakchazak - 26 Dec 2010 18:01

this thread will be an accountability thing similar to the 90 day thing, with the checking in of "still clean" or "had a fall" but with chat rooms. the rules are you are not allowed to go into any chat rooms or any sites where they match you up with a random person to chat with. you are not allowed to contact any girls unless they contact you first or they are on your buddy list, and you're not allowed to buddy list any girls unless they contact you, but you're allowed to add a girl to another screen name if she is already on the buddy list of a different screen name. you can only contact a girl not on your buddy list or that didn't contact you if you have a legitimate question to ask them about something that you need to know. and you are not allowed to go to any "game" rooms like the Yahoo game rooms where people play games with each other. not allowed to go on any 1 on 1 chat things like askmoses.com, unless you have a legitimate question to ask. no going on multiplayer rpg websites like torn, unless to check email.

Thanks for the chizuk. It's my parents' computer and I can't really block or filter anything because it's their computer. If I had my own place I would have no computer at all, it's too much of a temptation. Still clean.

Hi, im new to threads or posts and to this site, I just need to talk and hopefully its not improper and maybe someone will be able to offer st usefull. I have been really good ab not "spilling" for a few months and been getting better at guarding my eyes as I have learned are the windows to the soul and directly related to shalom bias which is directly connected to parnassa (which i feel takes all the "l'shma" out of what im doing, but thats a diff issue). So then i was milling ab online and was lucky to stumble on this site, which is def awesome. So i signed up for the daily email and was feeling good and then suddenly I fell for the first time in months... so my obvius question would be "isent this site supposed to help me? Why now that I found the site didnt it protect me? Is it the YH freeking out that im working on personl holiness? Luckily I have been reading the garden of emunah. and have learned to be a Master Returner (baal teshuva) and know that I can start anew every moment so i def dont feel dispare, im just wondering whats going on. I also feel weird ab the 12 steps bc I dont feel the first step, that ive lost control, maybe bc of the conflict of emuna bc I know Hashem is in control anyways...I know im all over the place but this is my first attempt at reaching out ab this sruggle so plz forgive
