

chat room accountability thread

this thread will be an accountability thing similar to the 90 day thing, with the checking in of "still clean" or "had a fall" but with chat rooms. the rules are you are not allowed to go into any chat rooms or any sites where they match you up with a random person to chat with. you are not allowed to contact any girls unless they contact you first or they are on your buddy list, and you're not allowed to buddy list any girls unless they contact you, but you're allowed to add a girl to another screen name if she is already on the buddy list of a different screen name. you can only contact a girl not on your buddy list or that didn't contact you if you have a legitimate question to ask them about something that you need to know. and you are not allowed to go to any "game" rooms like the Yahoo game rooms where people play games with each other. not allowed to go on any 1 on 1 chat things like askmoses.com, unless you have a legitimate question to ask. no going on multiplayer rpg websites like torn, unless to check email.

[Please no site names]
