

Ki Nafalti , Gam Kamti

Posted by ben durdayah - 30 Dec 2010 08:14

:(Although I've had my ups and downs over the years, and some long streaks of abstinence from any P*** or M***, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P*** etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

Right...

And if you believe that, I've got a bridge to sell you...

Oh! you already bought a bridge from Brooklyn to Manhattan?

No... This one is **really** special, It's not from Brooklyn to Manhattan, Not at all!!! It's from Williamsburg to the Lower East Side... Sure- you'll make a fortune everyone who's going from Willy to Monsey or Monroe will be needing to go your way...

Hey, hey you -Where are you running so fast? Hello? Hello?

So what if you drive a truck -I'm not trying to sell you the FDR Drive- on your bridge -commercial traffic is also OK!

Hello???

???

Trust me- when you reach the anticlimactic end of this story -you'll throw me and the story together with the green elephant avatar way down deep in the circular file, the recycle bin, whatever you call it...

Oib azoi, I think we can make a package deal here...

I'll be able to unload a bridge, a tunnel, and possibly two identical office buildings which I own in downtown for a really good price...

Helloooo?!

Did I hear someone trying to sell a Bridge?!

I would love to buy it!

How Much?

Oish! I forgot! I just spent all my money on "This special formula for rheumatic arthritis"

Why do I always do that just before a deal like this shows up?

I prefer Yossi's ruggellach, let's keep Poshute Yentie (Heimish for plain Jane) on her side of the mechitza.

Ich vill brechen ven Ich tracht fun dem trachten fun dem trachten.

Kickboxing lessons aren't existent in our nameless derfel, as the local peasants are of the non-enterprising sort...

Billy, on the other hand is the industrious all-American kind of gentile... why don't you ask him for some kickboxing lessons?

Besides, if you get my real estate under your management -you'll be able to afford all of the ruggelach, chulent, and kickboxing lessons you never wanted!!!
