Ki Nafalti , Gam Kamti Posted by ben durdayah - 30 Dec 2010 08:14

:'(Although I've had my ups and downs over the years, and some long streaks of abstinence from any P*** or M***, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P*** etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

No guys, it's been a lousy day, so first I get to vent; and then if there's time I'll try to update Zanvil and Devoirah and co.
DAY 21
Right, like now I'm a reeeeeeaaal Tzaddik'l no?
No.

I had a lousy day. I ate the fruits anyway, and said the tefillah for the esrog word by word with peirush hamilois but I felt like a hollow tree.

But the battle now is not on my turf, I'm b"h not bombarded by hirhurim, but the YH is trying to sneak in with milchemes HaYetzer on his turf -i.e. Shmiras HaEyneyim. And when you're not "oifgeleibt", it's not easy (ah mefurishe Tanya).

So I've got to change the track which has been playing on "repeat" all day, and put on a different song:

TODAY, THIS MINUTE do you have as much \$\$\$ as you need for this minute?

TODAY, THIS MINUTE do you have with what to make Shabbos?

TODAY, THIS MINUTE are you clean?

TODAY, THIS MINUTE do your feet work?

TODAY, THIS MINUTE do your hands work?

TODAY, THIS MINUTE do your eyes see?

TODAY, THIS MINUTE do your ears hear?

TODAY, THIS MINUTE are your wife and kids safe and healthy?

TODAY, THIS MINUTE can your mind think straight?

TODAY, THIS MINUTE are you doing the ratzon Hashem?

If you answered yes to all of the above questions, then **CHILL OUT, and KEEP ON TRUCKING** everything is just fine b"h.

Your pain and depression stems from either the past or the future.

If that didn't help, then you obviously have gotten into "melumadah" mode as far as the recovery and GYE attitude is concerned, and need to go back to basics and start fresh -even if you are
