

Ki Nafalti , Gam Kamti

:( Although I've had my ups and downs over the years, and some long streaks of abstinence from any P\*\*\* or M\*\*\*, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P\*\*\* etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

Rabbosai, I will not tolerate this kind of thing on my fuddem.

This is not a popularity contest.

Therefore I would like to clarify a few points.

POINT A: Zemmy is the best Zemmy there ever was.

POINT B: MiYosef Hatzadik ad Yosef Hatzadik lo kum ~~b'yisroel~~ b-GYE KeYosef Hatzadik.

POINT C: I have experience with these things, just last night I had to tell my boys, "Tatty loves you all the same!" (I just don't use that nusach because it reeks of shekker, I say something like: You're my favorite Yankele, you're my favorite Zanvil, and you're my favorite .... etc. etc. etc.).

No more competition on 'the best'!

We're all the best.

You know why?

Because we're trying our best!

???? ??

Hey, I didn't want to get carried away...

But it's no small compliment...

Remember...

R"R Zeesha said that he isn't concerned that they'll ask him after 120 why he wasn't R"R Meilich; rather, he was concerned that they'll ask him why he wasn't R"R Zeesha.

I think we would all be thrilled to our toes if a bas-kol came out from himmel and told us that after the 120 year roller-coaster ride, we will receive a celestial pat on the back telling us that we reached our full potential.

So basically, I take back what I said at the beginnig of this comment...

I **did** get carried away a little bit, but IY"H that's the direction we're all headed for -to be the best us that we can.

Your chaver,

EBD

Not sure to write in ebonics from now on your thread, about being the best i saw R' nachman says (in mesheevas nef') that gd has a "HISPA'ARUS PRATI"from each jew, even lowest of the low. That, to me, was a really cool idea. Cuz' it means no one can ever shake my indiv. HISPA' Prati, cuz' it's always gonna be mine. Over and out.

how are you doing today reb EBD?

BHYY, thanks for asking.

I had some aggravation earlier in the day, but afternoon seder I managed to get it out of my head and netted approximately 3 solid hours, which got me home in a good mood.

How's by you?

BHYY

with the help of the RBSO and my good friends at GYE i am still riding the runner of the GYE truck

scooping up roadkill and eating some ice cream from the friendly ice cream man aka Bards

learning Hungarian and NOT thinking about the green elephants

i am also waiting to hear the latest revelations from the forgotten world of Zanvil and the Runaway Green Elephants
