

Ki Nafalti , Gam Kamti

Posted by ben durdayah - 30 Dec 2010 08:14

:(Although I've had my ups and downs over the years, and some long streaks of abstinence from any P*** or M***, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P*** etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

You're right, I'm sort of down in the dumps -but feeling pretty stable as far as the struggle is concerned, at least right this minute...

reb EBD,

when i think of you i think of chizuk and good cheer, you're that type of guy.

keep on trucking, scooping up roadkill, and defending hapless heroines from dapper dysfunctional doctors.

BNGE.

with you and rooting and tooting for you

EBD

I begg to differrr

Simcha is key

If u feel unsimcha

And yet shtarkkk

Remember ur gonna want simcha

And YH has a very cheap brand of it

Joking aside

The neshama yearns taanug

Taanug is only from the closeness to Hashem

Get the real thing

Gotcha Rebbe -your warning is right on track.

But today's closeness with Hashem was talking to Him while trying to learn even though the cheishek was far from me (that's another story -I'm learning what Libi is Aino Chafetz for a myriad of reasons, and another couple of reasons besides the timtum halev from my aveiros), and telling Him how dead I feel inside, and that only He can help me and that He can help me, and that I'm trying to do what I can to let Him into my life.

It's a longer story than that, but I've gotta run.

You GYEs are the greatest,

ebd, how are u today, my friend?

i woke up today with rid, bigtime. i began to shout "

M

A D

Y A

Y!"

then, i held myself together long enough to turn on some purim music. I picked up one of my children and danced with them. my 6 month old son was in his chair, and when he saw us dancing he understood the simcha and he smiled alot. Then i pulled my family into the circle and we danced together-no, not just a stale clockwise death inducing hora- a living beetui of kal atzmosay tomarna, and i did it for a long time-

The people here may be nuts, but theyre right-SIMCHA is the key!

What a coincidence/ Hashgacha Pratis - I get two posts on my fuddem about simcha, and I wasn't here at all yesterday because (for a change) I went to a simcha (bem'sirus nefesh) to be mesameach the little durdayalech!

Happy Adar to all!
