

Ki Nafalti , Gam Kamti

Posted by ben durdayah - 30 Dec 2010 08:14

:(Although I've had my ups and downs over the years, and some long streaks of abstinence from any P*** or M***, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P*** etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

I just read that Mark Cuban (yes, of the Dallas Mavericks) is looking to perhaps buy the 25% that Wilpon is putting up on the block. Its going to be quite interesting, since they don't give out technical fouls in MLB, imagine the UMP trying to throw Cuban out of the game.

Ump: You're outta here!!!!

Cuban: Um... I own the place, sorry.

Zachah, Melachtoi Naaseis Al yedei Acheirim.

All you chashuve GYEs have filled up this thread with truckloads of simcha...

Will try to add my own two-bits soon.

BTW -part of the tzimtzum in the posts on my part are the result of being metzamtzeim my surfing time... even surfing the GYE network.

But ly"ch if I'll be properly inspired, whether humorously or seriously -you all will be the first to know (huh? one second, that sounds like a paradox...)
