

Ki Nafalti , Gam Kamti

:( Although I've had my ups and downs over the years, and some long streaks of abstinence from any P\*\*\* or M\*\*\*, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P\*\*\* etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

BTW -I did something l'hasir michshol.

I sent an e-mail to Etrog-Rimon with the address of the site which caused my glitch which led to fall, and notified them that it should **definitely be blacklisted** due to pornographic content -I just got their response. They nixed the site.

Teshuvah HaMishkal and removal of one of (I hope) my last stumbling blocks (this one led me to my previous fall as well).

How can I notify K-9?

(I can't believe they don't block this site!)

As the result of my submission K-9 reevaluated the site, and instead of being rated 'Arts/Entertainment', it now has a designation of 'Adult/Mature Content'.

One things for sure -I knocked out another pirtzah which was preventing my success, and helped others in the process.

No slips, no falls.

But today is one of those, "*Yoshvei choshech v'tzalmuvess, asirei unni u'varzel. Evillim mi'derech pisham, u'meiavoinoisayhem yisanu. Kol Ochel tisaeiv nafshum, Vayageeu ad sha'arei mavess.*"

We're waiting for part two to happen:

"*Va'yizaku el Hashem batzar lahem, Mimetzukoiseyhem yoishieim...*"

rebbe bendee!

good work on putting your finger in the dyke

inquiring minds want to know what dapper authors drink on purim (*outside the US, otherwise it would be Cabernet Woodford from the Bardstown region appellation vin de pays*)

and if the rumors of flying green elephants appearing at your seuda are true

and if you serve possum flavored liquer as an appetizer

and if the Bardichever shteeble with the Book Club in the back is having a Purim Extravaganza  
Trink Seuda and if so, when? and what are the requirements for admission? 500 posts or 5000  
words of posts?

Ben D:

Don't know if you remember me, but I joined a few days ago. For me - a real beginner on this  
site - it has been inspiring to watch you - a veteran fighter - deal with this and use all the keilim  
that you talk about to s l o w l y raise yourself back up like a lion [yisgaber k'ari].

Thanks for sharing your journey with us. May we continue to grow together.
