Keep up the great humor!

I noticed recently another awesome line from you (that no one seemed to comment on).. It was in Habib's thread - about the slime-balls being up in arms. **LOL ROTF**. We need more guys like you here ;D ;D

More than anyone else, the individual I very much want to meet is RABBEINU GUARD SHLITA!  
:D :D :D :D :D :D

Is there another mezakeh es harabim to found in the whole wide world on his level? ??? I should bend before him & kiss his shoes! I would want to bring my family to him for a brocha. Hashem is SURELY on his team! They are very close partners. (I would have to try to think up some explanation for my wife as to who this guy is....)

[Please, R' Guard, even before I am zoche to bask in your holy presence, please include us in your tefilos.]

[b]Thank You Guard and all the other Admins who spend so much time to make this forum what it is !!

Just one question I've been wondering about Guard: It's obvious that he reads most, if not all, of the postings. But how does he do that with that big fur hat blocking his eyes ?

My Boss doesn't like when the thanks go to the wrong place.

Would you thank the janitor for the success of Microsoft? I just work here.

Which reminds me... Please tidy up after yourselves, cuz I need to clean this place at the end of

I just wanted to add my thanks too. My wife caught me with p\*\*\* nearly 2 years ago and I started seeing a therapist and I was enjoying it and it started going well but I started regressing, I couldn't keep it up, I was still living with and fighting the lust. I went up a level in Jan when I found this site and another level in March when I started posting. I've come so much further in the last 4 months than I did for 18 months before that. This site, the forum, the handbooks, the emails are trully amazing and I wanna say a tremendous, personal, heartfelt thank you to Rabbeinu Guard for creating this place!!

Thanks for helping me get back on track!!

p.s there doesn't seem to be a thread to thank Dov but I wanna thank you as well, your posts and quotes in 'daily dose of dov' are so insightful, inspiring and helpful! thanks for guiding me in the right direction!
