Guard is very busy extinguishing a huge, international blaze. Therefore, he's not always available to blow out every candle.

If you have knowledge, let others light their candles in it.

Right, like Kedusha would let a thread like that stay open for more then 10 seconds.

Good idea though.

Use it for a collection of all your posts bashing **Guard AND Kedusha**.

His humility will keep him from deleting it. He won't want to look like an arrogant guy who uses his power for his personal honor... ;D ;D ;D

Reb Guard is the Heliga tzadik that created and maintains this website and the GYE community, he gets some help from other members of this community. but, he leads it. Yes, he saved your life, my life, many lives and more lives iy"h. Only hoshem has the power to stop our lust and only hoshem has the capability to pay him for all he's doing for us.

No of course Guard is not a real person! How could one person create this whole website. The moderator on duty at any given time is called Guard because he is the one "guarding" the website. There, therefore, is certainly no reason to like him because it could be anybody and it's not a real person. It would be almost as ridiculous as liking Kedusha (Who is also not a

{deleted} person) .

Nobody knows who Guard is, rumor has it that a fellow by the name of Uri used to know one of his identities but Guard had him rubbed out. He is definately not Anony mous that's somebody else who posts occasionally.

That's silly. If I was Guard I would be "too busy to post" and besides I'm much better looking then him.

37. You stand in front of Buckingham palace shocked and start screaming "Hear O' Addicts Guard is the Guard, Guard is one, d'ya hear me for cryin' out loud..." until you are unceremoniously escorted away.

Guard is our founder (*sort of like Bill W. was to AA*) and we are his messengers to carry the message to others...
