I Love you, brother.  
Hey, I had nothing to do with it...just wanted to clear the air...

Today is 768 days which are 109 weeks and 6 days of being sober.

I would never have believed it to be possible. I am literally crying from joy.

That's why I love the Heiliger Guard.

That's why Hashem loves the Heiliger Guard.

Ok i'd like to weigh in with this Guard v Dov thing.

If i had successful surgery in hospital, who should i be grateful to, the one who built and maintains the hospital, or the surgeon?

I think both. I needed both of them in order to get the help that i needed.

I see our very own dear HEILIGER ZEESER Guard as the builder of the hospital and  
MOIREINU HARAV HAGAON Dov as the surgeon.

They have each invested their koiches and qualities to do what they do best.

And A GROISE SHKOIACH to you both!!!!

The Guard currently has 6001 posts on the Forum. That's a record. Dov's total did not carry over from the old Forum but he was far from 6000 anyway.

**The Forum would not exist without the Guard and would not be what it is without Dov.**

There are more people behind GYE like Kedusha and others who we probably don't even know about.

Thank you all.

I think people don't appreciate what he does for us and guys don't comment here especially since "The Heiliger" stopped posting on the forums

Maybe he graduated ;-), same as this thread author doesn't login to gye anymore...

I still love the heiliger Guard. I can cry if I remind myself what a wreck I was before I found this website. I am far from perfect now but in an incomparably better position.

Somebody would remove your karma points? Why would anyone care enough to even *do* that?  
And why would you care enough to notice?

...and are you the old Me3 guy I spoke with a few years ago?? Wow - if you are what a blastola  
from the pastola!

Dov doesn't read the GYE emails, and apparently he's 3 years behind on reading forum posts

**Warning: Spoiler!**
