Hi Everyone

A friend called me today to inform me that a fellow student from our high school class who passed away this week in a motor bike accident. Please learn something for him. I don't want to give over his name on the forum as some of you may have been in my class. Life is so short.. We need to live it wisely.

Dear Ilan,

Baruch Dayan Haemes.

Sometimes Hashem's wake up calls are painful.

May He comfort everyone as only He can.
