

Have a joke?I wanna hear!

Posted by jerusalemsexaddict - 27 Jul 2009 21:53

Dear Chevra,

As most of us have realized by now,our forum is filled with some of the worlds funniest comedians.Unfortunately for some of us fans,the location of all these jokes is not so easy to find.Therefore,I find it crucial that the oylam post their jokes here for 2 reasons: 1)so pple like me dont have to scan threads to find good lines 2)so that the serious threads can remain serious.

So....who will make the first inaugural(is that a word?) joke?
