

7 Determination is up to us

The Vilna Gaon says that what a person says they want, and even what they feel they want, has no relation to what they actually want. The Yetzer Hara was given permission to make a person feel they want something they really don't. And the same goes for what a person feels they can or cannot do. This has no relation to what they can or can't do in reality. So believe you will succeed, even if you feel you can't!

The biggest obstacle to succeeding is not believing you can succeed. The first impediment to overcoming this addiction is not in your genes, your childhood or your environment. If you believe you can succeed and are willing to make the effort, you will find the way out. Absolutely NOTHING stands in the way of a true RATZON. You can read the recovery stories on our site to see that many people even worse off than you have successfully broken free of this addiction. And you can also read the many threads on our forum and watch the amazing strides that so many people are making every day.

You must truly want to break free of this Mitzrayim. Chazal say that those who didn't want to leave Mitzrayim died in the plague of darkness. Already at the outset of your journey, you must be determined that you will never give up and always keep trying, no matter what.

The holy Tzadik R' Tzadok HaKohen of Lublin writes (Tzidkas Hatzadik 154): "Just as one must believe in Hashem, so too, one must believe in himself!" Hashem wants us to BELIEVE in our strengths, our capabilities, and in our ability to overcome evil and achieve greatness.

Although we have an addiction, determination is completely up to us. The trick to ultimate success is only to want enough. So let's be honest with ourselves. If we find that we don't want to let go fully of the lust, let's ask ourselves "why not?" Do we really need the lust? What is it doing for us? There are so many far more important things in life! When we try to hold on to the poison of lust, we are acting like little babies who kick and scream when their father tries to take the colorful little medicine pills that they thought were candies away from them. Lust is poison! If we keep feeding it, it will ultimately destroy our lives. Let our loving Father take it away from us.

ok sum up

the yetzer pushes us to do somethign that we dont even want to do!

next, where there is a will there IS IS IS a way. when we want recovery, if we put in the effort it will happen.

(notice that the name of this step is determination, determination is somewhere in between a will and an action. we cant just want it and do nothing about it. as we fight we have to want it.)

in mitzrayim, those who didnt have determination were killed in makkas chosesh.

JUST LIKE ONE MUST BELEIVE IN HASHEM, SO TOo HE MUST BELEIVE IN HIMELF!!!!!! if we dont have true determination we have to ask ourselves why not.
