Hi guys, is anyone active on this topic? looks like the last post was a few years ago.

I wonder how many GYE guys are in SA

I am sober in AA almost 2 years, and SA coming close to a year.

Would love to hear some ESH / step ones on the forum.

I'm in SA joined a couple of months ago, I got 3 months of sobriety and lost it last week. I would love to see a more active SA/12-Step GYE forum.
