

My truck Don't have no reverse

Posted by tehylimzugger - 24 Aug 2011 17:11

We say by davening: ??? ????? ??? ????? ????? ????? ??? ?? ????? ??? ????? ??? ??? ???
?? ?? ?????

so the question is obvious, how is it possible for hashem to forget ??? ??? ????? ???
??????

the answer my beautiful holy friends, is that the tefilla is not talking about hashem forgetting,
that ain't happening. we are asking that **we**, we should forget *velo yaaleh al libeinu leolam!*
