does anyone recognize this R' Avigdor Miller? Posted by elishamabenamihud - 13 Oct 2014 19:34

i remember reading, in the name of Rav Avigdor Miller or by Rav Miller himself, something like every time a person davens, he has gained that much more awareness of Hashem, so the next time he davens his prayer will be more acceptable, something like this. Does anyone know where I can find this? Thanks.
