I heard a nice, short idea:
We should have extra Kavanah during the bracha of ???? ????? ??? ?????. The ???? ??? ???? are like our ??? that we once wasted, and we are thanking Hashem for gathering our ???, i.e. Hashem helped us in our path of no longer spreading out the children of Israel.

The 3rd letter in the words <i>Mekabetz Nidchei Amo</i> are the letters of one of Hashem's names: <i>Ches Beis Vav</i> (????? is written without the first yud). The Kabbalists explain that this Name refers to Hashem's 'correcting' the ??? that we wasted.
These same three letters (in their proper sequence) are also the next-to-last letters of the words <i>yachad mei'arba kanfos</i> earlier in that same bracha in Shemona Esrei.
