

Short thoughts from OivedElokim

Posted by OivedElokim - 24 May 2019 19:19

When ????"? left the cave, he didn't go take a walk or swim In the river. After 13 years of sitting in mid up to his shoulders, his first question was "???? ????? ???? ??????"? He went to help others. Not life-changing stuff. Just saving some ?????? some extra time.

Takeaway: ????"? would be very proud of GYE vets....
