

Shmiras Einayim Halacha Sefer

Posted by Jewboy600 - 15 May 2020 00:20

Hi all,

Was wondering if anyone knew a sefer that went through the sugya of shmiras einayim. Not a sefer that just gives the psak halacha, sefarim that mamish go through the sugya (like the B'Er Mayim Chayim would be good).

Thanks!

Shkoyach- it's a sefer that shows it's work? Maareh Mekomos and such? B'Emes most the sefarim I've encountered have been psak halachos without sighting any primary sources.

yes, mekoros, and very well done. brings the point home, makes it real, but relatable, and open. speaks to the heart and the mind, and inspires. mussar is great, but this is different.

You might also want to check out Alei Ayin, written by R' Yehuda Shatz, which as well goes through the sugya b'iyun in the back sections. It was translated by R' Shalom Muskat, and is called iObserve.
