Try memorizing the first halacha of the 2nd perek of Rambam Hilchot Deot.

Remind yourself, that whenever you have feelings that are contrary to what you know to be healthy for you....you are a "choleh" and you need to reach out to others for help

Hey poij,

I get what your saying. However, isn't it demoralizing to look at yourself as a choleh? Wouldn't it be better to view yourself at the time as having the ability to achieve greatness?

In other words a person is more empowered by keeping a positive outlook then a negative one.
