

"????? ??? ??? ??" vs. "? ??"

In Monday's Daf Yomi the Gemara mentioned the ????? of ?????? ??? ??? ? which we learn from that passuk that we're not allowed to look at women in order to enjoy. I was wondering to myself what's the difference between this ????? and what we learn from ? ? ????? ????? ????? which is mentioned in ????? ??:. So I looked into it and found that the "?" (???? ?) and also the ????? ????? (?? ?' ?? ?') both say that the ????? of ? ? ????? is only if one is planning about sinning with that woman that he is looking at, similar to the ????? of ? ? ????? of ????? ? where the sin is only if one is planning on worshipping idols. This idea I also see very clearly in the ? ? ????? and the ????? ? (?? ???? ? ?") also explains the difference between these two sins in that way. ? ? ????? is only when one is planning on sinning with a woman whereas ????? ? ? ? ? is only by looking at a woman in order to enjoy even if not planning on sinning with that woman. This sin is because it will cause you to become ? ? via ? ?.

The thing is that I recalled the ? ? ? ? ? (???? ?" ?" ?') quoting the passuk of ? ? ? ? ? regarding looking at the finger of a woman in order to enjoy (also the ? ? ? ? brought that passuk). Where that statement in the gemara was mentioned about the passuk of ????? ? ? ? ? ? ? ? ?.

Anyway, it sounds like there's a ????? on how to interpret the ????? learnt from ? ? ? ? ?. According to the sources I quoted above it sounds like one is not considered ? ? ? ? on ? ? ? ? ? as long as he isn't planning on sinning with the woman (whereas he is ? ? ? ? on ????? ? ? ? ? ? ?). But according to the ? ? ? ? ? you're also ? ? ? ? on ? ? ? ? ? by only looking. Does anyone know any sources from the ?????? where it's stated more clearly the opinion that the ? ? ? ? ? ? ? ? brings?

Also I was thinking according to this opinion, what is the difference between the two different ??????

One possibility that I thought of is that ? ? ? ? ? is the ? ? ? ? ? regarding the act itself, whereas ????? ? ? ? ? ? is the ? ? ? ? ? regarding the outcome.

Or maybe it's possible that they are both the same ? ? ? ? ? from two different passukim?

Would love to hear if anyone has any more clear sources on this.
