

Yosef Hatzadik's Ha'oros

Posted by Yosef Hatzadik - 18 Feb 2010 20:05

The following are a hodgepodge of Torah'dig thoughts that Hashem planted in my head.

Comments, Cashiyos, & constructive criticism calmly collected by PM. I locked this thread to replies so that it should be easy reading for those that are interested in my Torah. You shouldn't have to search for the Torah between all the other stuff.

(Public comments to me can be made in my thread in the Introduce Yourself section entitled [**Tov veyoshor Hashem al kein yoreh chata'im baderech!**](#))

Rashi: *Ha'anan yarad sham.*

Some see The *Kovod* of Hashem

&

Others just see a fog....

Parshas Shelach:

After the *chet* of the *Meraglim*, when the Jewish People recognized their misdeed, some of them woke early the next morning and wanted to undo some of the damage & go up to Eretz Yisroel immediately. Moshe Rabbeinu told them, "Why are you disobeying Hashem's commandment, IT WILL NOT SUCCEED. Do not go up because HASHEM IS NOT WITH YOU." (14:40-42)

Why is this so?

Does the Torah 'expire' if we transgress it?

Does Hashem leave His chosen Nation just because they sinned?

Rashi: He thought that they will give him some respect but they didn't.

Even if someone fell as low as they did, as long as he still has Kovod for Rabonim there is still hope for him!!!

[Harav Moshe Feinstein Zt wrote:](#)

The blossoms stayed on Aharon's staff even after it was laden with almonds! (Usually, the blossom falls off & the fruit grows in its place)

This is to teach us that, in Kedusha matters, all the toil & pain which we endured in attaining our goal doesn't get washed away with the focus being only on the end result. *Aderaba*, that stays in the person's 'account' to his everlasting credit!

Many of us wish for the day when we will be 'cured' & will be able to leave this whole process behind...

We should know & remember: This is not just a path toward our destiny, this IS our destiny!

Hashem doesn't care for us being perfectly clean. He put us here FOR the journey.

He wants our **growing pains**! He wants to watch us blossom! Our current experiences are being recorded by Hashem. He is gonna treasure them FOREVER!!!!

Tefillah:

V'hu rachum yechaper avon v'lo yashcis.

It is an automatic cycle:

Ayin ro'eh >>> halev chomeid >>> haguf oseis aveiros (The *aveira* of *hashchasas zera R"L*)

Aveira goreres aveira!!!

Hashem, in his infinite mercy, can break this cycle!

We can reach a point where, even though our eyes saw a trigger, our hearts/minds do not automatically begin to lust!!!

In addition to the standard translation of "Forgive", *Yechaper* can also be read to mean "wipe away". In the midst of the *Aveira* cycle, Hashem, in his mercy, will just 'wipe away - push aside' the *aveira*!

V'lo yashchis = we won't come to a point of *hashchasas zera C"V!!!!*

Huh?

For us?

Moshe Rabbeinu was also drunk?

He should've said "For you"!

Moshe Rabbeinu taught us that the way to influence others is to include himself in his words.

Nobody likes to be talked down at!!!

We are in a program of Attraction, not Persuasion.

v'hakadosh = in matters of inyanei kedusha; *v'hikriv eilav* = He brings them close to himself!

Korach's wife was the one who instigated the whole ordeal! She saw him entirely shaven & didn't like his looks.....

Kalev ben Yefina's wife was **Miriam Hanevuah**, leader of the Jewish Women.

Lot's wife ridiculed his *Hachnosas Orchim*.

Achashveirosh killed his wife **Vashti**.

Achashveirosh's life was saved by his wife **Esther**.

Shimshon Hagibor's Wife committed the ultimate betrayal!

Parshas Chukas:

The Kohen who burned the *Parah Adumah* was first made *tamei* prior to his preparing it. He was not allowed to do the full system of being *metaher* himself. He was only given an opportunity for *tevila* in the mikva (*He'erav Shemesh*- waiting for sunset, was not allowed.)

The Kohanim & Leviim were the leaders of Klal Yisroel. They were the teachers. *Yoru mishpatecha l'Yaakov v'sorascha l'Yisroel*. When a Yid wanted to purify himself he needed to go to a Kohen. The Kohen would use the Waters with the *Parah Aduma's* ashes etc., AND also influence the Yid to rise to greater heights!

In order for the Kohen to properly 'connect' & be able to have an hashpa'ah on his petitioners. He must be able to lower himself down & 'see' the world from the latter's perspective. He must experience a bit of *Tumah* himself..... only then can he help other rise out of their *Tumah*!

GuardYourEyes succeeds even where others have failed!

Why?

Rebbeim & good friends can give good advice & encouragement, but they have not been down in the trenches themselves. The devoted pals from this Holy GYE Kehilla understand each other & the struggles we are going through better than anyone. Therefore, we feel a kinship amongst ourselves greater than any friendship in the world!!!

Barasi Yetzer Horah, brasi Torah tavlin kinegdah!

This is generally understood to mean that the Torah is an antidote against the Yetzer Horah. Torah will fight it & lessen its power.

If so, how are the words *Tavlin kinegda* understood? A flavoring/spice?
Opposite/Across/Against her? ?? ?? ??

There are two options for us:

[ZemirosShabbos wrote on 24 Jun 2011 17:15:](#)

Daily Dose of Bards:

Living versus Life:

Living is an involuntary action. Breathing. Heart beating. Ppl in jail. Ppl in hospital. Ppl in the clutches of addiction are also alive.

But life is to **LIVE!**

We can have the REAL life & all that it encompasses;

OR

We can have the pseudo-life that Yetzer Horah tries to push on us.

The Yetzer Horah paints the latter in glittery glitz! He sweetens it with all the saccharin at his disposal. He pumps it up until it looks magnificently enticing. He tries to make us think that the other life, the REAL life is the bland option.

He is right!

Life is very bland & boring.....without the Torah, that is.

Living a Torah'dig life is by far much much sweeter than all high fructose stuff that the 'entertainment' world has to offer!

As we see in this testimony:

[jack wrote on 29 Jun 2011 17:12:](#)

dear all, it says sur mayra vaasey tov, first, turn away from bad, and THEN, and only then, do good.what does this mean for us? it means that you can't start enjoying the benefits of what a clean life means if you're still acting out.so, in the 12 step groups, they want you to be sober BEFORE you start working the program.rabbi twerski gave me advice to turn to the Torah instead of lust. but i couldn't begin to see how Torah would replace the lust until i was clean for a time.now, after almost 3 years (with only a small number of slips), i am only BEGINNING to realize how anything can replace the tremendous physical pleasure that is lust.

Barasi Yetzer Horah = The Yetzer Horah makes his stuff seem tasty;

Brasi Torah tavlin kinegdah! = The Torah enhances the opposite choice so that it is a formidable opponent to the Yetzer's persuasions!!!

If it does enjoy the chizzik if not disregard it.

I know many people myself included, who would love the TEASE factor of the situation you were in. and only get embolden by saying hey nothing happened.

If we look at last weeks parsha we see Potiphars wife asked Yosef "shichva imi" as some say she asked him lie clothe no physical contact in my bed.

At worst he would be over some "derabanan"

What was Yosefs reaction "how can I do the GREAT sin"

Hey Yosef get real what great sin its an " aveirileh" a goorishtl ah shmekk tabbik

NO NO NO (CLS)

Yosef saw it for what it was what the YH wanted freom him

Yes LL and yes bardichev, YH comes with aveirilach a click a blikk just wanting to be teased,or just curious... Etc.

HELLO WAKE UP IT IS HIS TRAIN TO SHEOL TACHTIS

THIS is the way you will end up DYING !!!!

Just by being inside - - without doing anything....

You WILL become *Tamei*!

[quote="Rashi (20:26)] Moshe Rabbeinu told Aharon to enter the cave on Mount Hor Hahor and he entered. He saw a bed prepared & a candle lit.

Moshe told him, "Go onto the bed." and he went.

"Spread your arms," and he spread them.

"Close your mouth," and he closed it.

"Shut your eyes," and he shut his eyes.

IMMEDIATELY, Moshe desired such an experience!!!![/quote]

That Aharon had such control over his eyes - he can close them at will, THIS IS WHAT IMPRESSED MOSHE!!!

Parshas Balak:

Vayachel ha'am liznos el Bnos Moav..... Vayitzamed Yisroel l'Baal Peor. (25:1-3)

Rashi explains that when his Yetzer overpowered him & he courted the prostitute, she would present him with an Avoda Zara & insist that he first worship it .

*Vayachel **ha'am** liznos - - Ha'am = the lesser madreigah.*

*Vayitzamed **Yisroel** l'Baal Peor - - Yisroel = the higher madreigah.*

It all started off as a *tayva* from the Yetzer Horah. He ensnared them in their low moments, but it grew & grew. They became addicted. They became attached. Even when they were [otherwise] 'good' Jews, they were on the level of *Yisroel*, they cleaved to Baal Peor; they were stuck to the thing that they thought will bring them some more of these wonderful(?) Moavite prostitutes!
