

Ezras Nashim

Posted by bardichev - 21 Jun 2009 16:22

Welcome to the Ezras Nashim

Welcome to the Ezras Nashim .If we are going to have a complete Bais Medrash we NEED an Ezras Nashim

The point of this thread will BE"H be threefold

- A. To present Divrei Torah which will be relevant to women
- B. A place where the women can present their Torah Thoughts
- C. To encourage women both who are struggling or who are trying to help their spouses in their own struggles

It is my fervent hope that a Kiddush Shem Shamayim will come from this thread.

I will dedicate the first Dvar Torah on this thread to a real Tzaddekes on the forum 7yipol-tzadek(es) Vkom!! (7-UP!)

and to the women who stuck it out here as miribin TrYiNg habib 613 and to the many tzadkonios who are guests

One more introduction this Bals Medrash is set up to be a lively give and take in the true Bais Medrash format.I kindly request that debating and personal stories should be kept in the Women's Forum (This applies to the men too.)

bhatzlacha

humble and HAPPY

Very nice vort,

I heard this vort on why were there sings pointing to the Arei Miklat & not To the Beis Hamikdash? with a story.

Reb Aaron Kotler ZT"L was collecting for his Yeshiva by a modern orthodox yid when the guy asked Reb Aaron why is it that Yeshivas struggle to collect money all the time & colleges just have it so easy?

So Reb Aaron said this vort why were there sings pointing to the Arei Miklat & not To the Beis Hamikdash? Because if a yid Chaas V'Sholom killed someone by mistake and wouldn't know were to run, he would have to knock on someones door & ask, & the children of that house will ask what did he want to which the father would have to explain to the kids that this guy killed someone by mistake. so in order not to have to embarrass the yid there were signs all over.

Now what would happen if a yid was Oleh Regel & had no direction as to how to get to the Beis Hamikdash? he would knock on a door & ask! the children of the house will ask there parents, What Did He Want? to what the parents will say, he wanted directions to Yerushalaim the Beis Hamikdash! Whats Yerushalaim? Beis Hamikdash? Korban? to which the parents will have to go into details & explain & talk about the holyness of the Beis Hamikdash & Korbonois & the outcome would be great!

The same is with the Yeshivos Explained Reb Aaron.

What happens after I leave? Your children that might have never of seen a Rosh Yeshivah & might not even know what a Yeshiva is will ask you who is that guy? whats a Rosh Yeshiva? A Yashiva? & so forth and you will then have the opportunity to tell him the greatness & what a Yeshiva is about so that he will know whats a Yeshiva is and so on, so Hashem makes it hard for us so that we have to go around spreading the word so that Hashems greatness will come out of it.

But the colleges Hashem just gives as much money as they need or more just so that they don't show up at a Jews door.

a beautiful torah, dear bardichev.

Elkanah the father of Shmuel Hanavi took different routes each year to encourage as many people to be Oleh Regel as possible.

This was mesaken his ancestor Korach who argued against Aharon and his descendents. So Elkanah took the opposite approach and enhance Oleh Regel, to the place where the Bnei Aharon served and were makriv korbonos

Keep it coming heilige Bardechev!!!!

GOOD BYE FOR NOW..MY LOVE

A THOUGHT FOR SHABBOS CHAZON

from: bardichev

I HUMBLY DEDICATE THIS VORT TO MY "BABBY" IN LICHTIGER GAN EDEN

We find an amazing gemara regarding the Churban bais HaMikdash.

When the enemy came into the Kodesh HaKedashim (Holy of Holies)

He saw the Keruvim on the aron that they were Me-urin zeh ba-zeh ,intertwined.

We know that the keruvim were miraculous that when Klal Yisroel did the will of Hashem they were intertwined and when they reneged against Hashem they were opposite each other.

So the obvious question is when in the history of the Jewish people was there a time that they were at such a low of Ain Osin Ritzono Shel Makom going against the will of Hashem? How is it at that point The angles were intertwined?

Says the heiliger Tzaddik Reb Levi Yitzchok Of Bardichev Zechuso Yagain aleinu.

we know there is a concept Chayiv adam Lifkod ess ishto Bshaa Shyotze LeDerech.

At the point of departing when the feelings of separation are so strong that is when one must fulfill his marital obligations.

The keruvim were symbolizing the good-bye kiss (ki havey yachol) between klal yisreol and Hashem.

On a more practical level ther are two lessons here

Firstly Hashem gave us a good bye kiss. Yes the separation hurts we are still reeling in pain. The yearning is there we want that closeness we need that embrace once again.

Another point There's a message here .Yes the Bais Hamikdash of stone and Mortar is destroyed but...but... ther is still a Bais Hamikdash where Hashem has HashRa-as Hashechina. That my dearest friends is the Holy Jewish Home.

May we be zoche to build our lives and homes in the way that Hashem says yess here is were I wish to dwell.From here I will bring forth the Geulah!!!

Good Shabbos

With all the love in the world

Humbly (and Happy)

Heiliga Barditchev,

Geveldik Vort!

A possible 3rd teretz - similar to the idea that the luchos were never broken, is that there is a "reality" where the separation never happened and the Bais Hamikdosh was never destroyed. That reality is in the Kodesh Hakadashim where the Chitzonim can never gain entrance.

All Hashem had to do is reveal it to us in its completed form B"B"A.

Good Shabbos!
