Hey All

I found/bought a new sefer today. It's called Sefer Esa Einai and it's by Rabbi Yaakov Langser of Passaic, NJ. I believe he learns in BMG. This is his third sefer.

but this sefer is nokea to all of us here. It's subtitle:

Chizuk Eitvos VeHadrachos B'inyanei Shmiras Einayim

Just thought it would be nice to bring this to the olam's attention.

Is it in English? Probably not... Maybe you can do some translations for us... I can send it out in the daily Chizuk e-mails on the Shmiras Ainayim list...
