

Roll Call?

Posted by Eye.nonymous - 06 Mar 2010 19:04

Ok, here's the appropriate place for this message.

I just thought it would be handy if everyone on the call checked in here. It's kinda' dizzying just hearing all the names getting called off. Plus, I'm not sure if everyone uses the same name on the forum as they use on the call.

I thought this would make it easier for us to keep track of each other and support each other.

Great idea, I call in as MosheW usually on Tuesdays and Thursday. This is my second round with Reb DC.

As a side a BIG shout out to Steve who did an amazing job this morning!!!!!!!!!!

.....Reb DC I would think twice before taking another off day.
