

The Koach of GYE

Posted by geshertzarmeod - 28 May 2012 13:17

I came across the following on shavuous. I thought the tzibur would appreciate it.

The Nesivos Shalom says that there are certain things that a yachid cannot accomplish on his own.

Only when he is part of a tzibur is it possible.

Kabalas HaTorah for example could only be accomplished by our being unified as a tzibur.

Similarly, all the inyanim of kedusha are written b'lashon rabim.

because the yachid on his own can't overcome it on his own.

?? ?????? ????? ?????? ?????? ?? ?? ?????????? ??????????, ??? ??????? ????????? ?? ?????? ??? ?????? ?????????? ?????? ?????? ?????????? ??????????. ?? ??? ?????? ?????? ?????? ??????, ??? ?????? ?????? ?? ?????? ??????, ?? ??? ?? ?????? ?????? ?? ?????????? ?????? ?????? ?????? ?????? ?????????? ??????????

so you see we as individuals cant beat this thing. Its only thru joining a tzibur like GYE that gives us the ?? to win this battle.
