My dear R' Excellence, thank for all your beautiful chizuk you give on this forum. But what about your struggles? Your falls etc.? I don't remember seeing any introduction to who you are and what you're here for (if you did I apologize and would like to know where). Can you please introduce yourself? Don't stay a stranger. We would love to get to know you!

@excellence

I have a feeling that Excellence is your real name not your Nickname.
