

Audio shiurim?

Posted by jewregonnamakeit - 05 Mar 2021 20:20

Hi everyone, I hope this is the right place to ask this, if not I'm happy to repost elsewhere. I have lengthy commutes and like to listen to podcasts and shiurim (in addition to music) while I'm driving. I've had a difficult time finding audio shiurim relating to P addiction/related topics. Does anyone know of any good speakers/classes, ideally accessible on TorahAnytime or another app so I can easily play them in the car? Thanks in advance!

GYE has a collection of relevant audio...have you had a chance to check it out?

Zedj, somehow I missed that! Thank you.

If anyone knows of any additional audio resources, especially that are on TorahAnytime, please let me know.

There's also a great thread that's pinned at the top of the Important Threads section that has many great shiurim about shmiras einayim.
